Guiding Light of our Mission & Vision

A journey of their tenacity and sagacity has traversed time and history to enlighten the life of millions with splendor of knowledge.

Late Shri Sagarmal Bagrodia Ji and Smt. Kamla Devi Bagrodia Ji
(Parents of our founder Shri N. K. Bagrodia Ji)

Their enlightened vision has illuminated the lives of the spirited bagrodians while emulating the
impelling motto of NKBPS- अनुशासन, श्रम, आत्मबल
thus driving us ahead towards the horizon of cherished dreams and memorable achievements!

THE ETERNAL SOURCE OF INSPIRATION FOR ALL BAGRODIANS

(1939- Forever)

OUR ILLUSTRIOUS FOUNDER

Late Shri N.K.Bagrodia Ji

Chairman's Message

"The child is both a hope and a promise for mankind."

Mr. Raghav Bagrodia
(Chairman)

The emphasis on education fosters not only individual success but also societal peace and prosperity. It's heartening to hear how N.K Bagrodia Public School, Dwarka has placed a strong emphasis on blending ethics with education to cultivate creative thinking among its students. It's evident that the school has become a beacon of excellence by instilling a passion for learning that goes beyond mere accumulation of knowledge. Education, when approached as a means to ignite curiosity and fuel a desire for growth, becomes a powerful tool for empowerment. It's commendable how N.K Bagrodia Public School , Dwarka has upheld the school motto of discipline, perseverance, and faith, which are pivotal in shaping not just academic success but also character development. These values were rooted in the vision of our founder, Late Sh. Nand Kishore Bagrodia ji, which lay a strong foundation for the holistic growth of students.

I believe that innovation and research as fundamental elements of education is crucial in preparing students for the rapidly evolving world. Providing hands-on experiences across diverse fields allows students to explore and apply their knowledge in practical ways, fostering a deeper understanding of concepts.

Creating a state of art campus that promotes eco-friendliness and sustainability is a remarkable initiative. It not only instils environmental consciousness but also offers a conducive environment for learning and growth. Recognizing the diverse learning, the teaching fraternity is qualified and dedicated which facilitates better comprehension and retention of lessons, catering to the individual needs of students.

I am committed to provide continuous support in pursuit for excellence .There is no doubt that N.K Bagrodia Public School , Dwarka will continue to soar to greater heights, providing an exceptional educational experience and nurturing future leaders equipped to face the challenges of the modern world.

Best Wishes

Brian Herbert once eloquently stated, "The capacity to learn is a gift, the ability to learn is skills, but willingness to learn is a choice!" These profound words encapsulate the essence of a lifelong learning journey, emphasizing that learning is not only a personal gift but a conscious and transformative choice.

As we embark on this perpetual quest for knowledge, let us draw inspiration from the wisdom of renowned philosophers and scientists. Albert Einstein's timeless words remind us that "Education is what remains after one has forgotten what one has learned in school." This underscores the idea that true education goes beyond rote memorization; it leaves an indelible mark on our understanding and perspective.

In the tapestry of education, Aristotle's insight resonates: "Educating the mind without educating the heart is no education at all." Education, therefore, is not merely an accumulation of facts but a holistic journey that shapes character and values.

Reflecting on the interplay between theory and practice, Confucius imparts, "I hear and I forget. I see and I remember. I do and I understand." This age-old wisdom reinforces your observation that knowledge finds its true value when applied in practical scenarios.

In the realm of skills and innovation, Leonardo da Vinci's words echo: "Realize that everything connects to everything else." It underscores the importance of a multidisciplinary approach, encouraging learners to see the interconnectedness of knowledge and skills.

In the context of the youth's role in shaping the future, Socrates' timeless philosophy comes to mind: "Education is the kindling of a flame, not the filling of a vessel." It suggests that education should ignite curiosity and a passion for learning rather than merely conveying information.

The confluence of modern education with ethics, as exemplified by N.K. Bagrodia Public School, not only keeps individuals grounded but also prepares them to navigate the complexities of the real world. The symbiotic relationship between the school and DSEU underscores the school's benchmark quality. Bagrodia, can indeed contribute significantly through their knowledge and innovation.

Congratulations to the management and Head of School, Ms. Anjali Kharbanda, for steering N.K. Bagrodia Public School on a path of excellence. Your association with such a esteemed institution reflects a shared commitment to nurturing not just students but future leaders and contributors to a sustainable world. May the journey of learning and positive transformation continue to inspire and shape lives within the walls of this prestigious institution.

Message From The Director of School

“Academic excellence goes hand in hand with character development and inculcating values.”

**Dr. (Mrs.) Rajee N. Kumar
(DIRECTOR)**

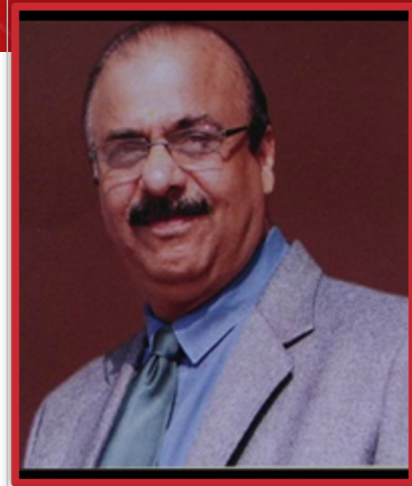

I would like to express my gratitude to be associated with N K Bagrodia Public School which embarked on its exemplary journey in the year 2001. The institution was the dream of a great visionary Late Shri Nand Kishore Bagrodiaji. It has been a matter of pride for me to serve this prestigious institution as the founder Principal for 20 years and superannuated as the director in the year 2022. Over a period of more than two decades, the school has emerged as a leading institution and carved a niche in the field of imparting quality education to the students coming from different echelons of the society. Its glorious track record has been accomplished by leaps and bounds in academics and co-curricular domains. I strongly believe that our mission is not merely to impart knowledge but to ignite a lifelong love for learning, foster creativity and develop essential life skills that will empower our students to thrive in an ever-evolving world. Our approach to education is rooted in the understanding that academic excellence goes hand in hand with character development and inculcating values. In addition to this we are in absolute sync with the latest NEP 2020 guidelines to take a leap in the field of education by enabling child-oriented constructive learning environment, blending it with latest technology and providing immense opportunities to create innovative minds. The present management under the leadership of young and dynamic Chairman Mr. Raghav Bagrodia has been relentlessly working towards creating new milestones. The students have been provided the world class infrastructure with all necessary facilities, technology and opportunities to unleash their talent to new heights. Their outstanding accomplishments in the AISSCE Board Exams and sports at various levels have been a testimony of the school's commitment towards their holistic development. I congratulate the Head of School and our dedicated well-trained faculty. I express my deep appreciation for their unwavering efforts and passion. I recommend that our teachers should embrace proactive approach to take up new challenges and change their classrooms pedagogy from mere teaching to competency-based learning with the integration of AI. As we move forward on this journey of educational excellence, I extend my best wishes, constant support and guidance to evolve and adapt to the changing times. I hope that our allegiance to providing a safe and enlivening environment for learning remains steadfast and we incessantly explore new opportunities to shape the future of education.

Wishing you a year of inspiration, collaboration and excellence.

Best Regards

Message From The Manager

"Education is a shared commitment between dedicated teachers, motivated students and parents with high expectations"

**Mr. R.K. Paul
(Manager)**

Today in this fast changing and challenging, competitive environment, it becomes imperative to balance academics, co-curricular and extra-curricular activities for future ready students. For this Late Shri N.K Bargodia ji, laid foundation of this institution envisaging an educational structure that would support academic excellence and inculcation of life skills such as self-discipline, critical thinking, team work, compassion, sense of duty, patience, respect for elders, environment consciousness and civility thereby preparing pupils to face global challenges.

So far, I find our endeavours fruitful, which is exhibited in CBSE Class X and XII boards results of this year and previously, only to find it among the best school in Delhi. The school provides e-learning where all the classrooms are equipped with smart learning modules, and has recently undergone infrastructural transformations, establishing the Atal Tinkering Lab for budding scientist to delve into principles of science and human existence.

N.K Bagrodia Public school, Dwarka has been instrumental in imparting education ever since its inception in the year 2001. I am proud to have witnessed the journey of this institution establishing a legacy of holistic education leaving a trail for others to follow. I strongly believe that education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations. All credit goes to the principal guiding a team of competent teachers whose consequent efforts, to empower learners with a passionate spirit of enquiry by providing a stimulating environment encouraging creativity, self-expression and excellence, can never be side-lined as their devotion has breathed life to our school motto "Anushan , Shram , Atmbal " .

Message From The Head Of School

"Education is a shared commitment between dedicated teachers, motivated students, and enthusiastic parents with high expectations."

Ms. Anjali Kharbanda
(Head of the School)

Dear Parents

As the Head of School at this highly acclaimed educational institution, I embarked on a new leadership role on April 1, 2022. My foremost is to safeguard the school's cherished motto, "Anushasan, Shram, Atmabal." I am committed to preserve the legacy and fulfil the vision set forth by our revered founder, Late Sh. Nand Kishore Bagrodia Ji and the founder principal, Dr. Rajee N. Kumar, while acknowledging the inevitable nature of change and its possible obstacles. Throughout the years, the students of N.K. Bagrodia Public School have consistently excelled, showcasing unwavering dedication, determination, and concerted commitment. Under the adept guidance of their teachers and mentors, the students have proven that perseverance is a key factor in achieving enduring success.

The students of N.K. Bagrodia Sector 4 Dwarka have once again raised the Bagrodian flag to new heights by achieving remarkable academic success in the CBSE 2022-23 examinations. The robust academic foundation laid by the school is evident in an impressive school average of 83.35% in class XII and 80% in class X. The young Bagrodians have demonstrated their academic prowess with perfect scores of 100 in Biology, Psychology, and Physical Education in class XII. In the similar vein, our talented class X students have achieved perfect 100s in English, Social Science, Sanskrit, and Artificial Intelligence. Our class XII school topper, Manav Kaushik achieved an outstanding overall score of 97.8%, bringing immense pride to our institution. In class X, Shreyasi and Anshika secured an impressive 98.2% marks. I am eternally grateful to our management for their vision and dedication. They have played a significant role in creating an atmosphere that values growth on all fronts including academic achievement. Their strategic initiatives have elevated the school to new heights and established us as a leader in the field of education by demonstrating the quality of their instructions. In tandem with our commitment to academic excellence, N.K. Bagrodia Public School continues its journey of progress and advancement. Our emphasis on holistic education encompasses not only academic achievements but also the cultivation of essential life skills, fostering a well-rounded development of our students. The school's relentless pursuit of excellence is reflected in our ongoing initiatives to incorporate cutting-edge educational technologies, ensuring that our students are well-equipped for the challenges of the future. In addition, our committed faculty stay at the forefront of educational best practices through their continuous professional development, which enhances our students' educational experience as demonstrated by the extracurricular activities, community service initiatives, and leadership development programs we offer. N.K. Bagrodia Public School is unwavering in its dedication to developing the upcoming generation of leaders, thinkers, and innovators as we look to the future. Our students are prepared holistically to make significant contributions to society because of our constant commitment to excellence. Our school is inspired by a vision for a better future and a passion for education, and we look forward to its sustained success and progress.

Best Regards

From The Editor's Quill

After a span of adversity and uncertainty, we celebrate the essence of life to spread happiness that is bright and heavenly! We are celebrating the joyous moments of life, which Bagrodians have painted on the canvas of Oasis through their jubilant expression. We bid to define an emotion which is euphoric yet subtle, unique yet inclusive, humane and heavenly! We seek profound blessings of our revered patron, Late Shri N.K Bagrodia and our Head of the School, Ms. Anjali Kharbanda as we set sail in quest of Happiness- Aahlaad! Often, we have plentiful accomplishments lying in our alcove yet we crave more. As the narrative goes, happiness is defined as the ultimate goal! However, it is never isolated from the pleasure and comfort human beings seek tirelessly throughout their life! Perhaps, that makes it distinct for every individual, because the seeker defines the search! A mercenary would dream of money, a pauper would define it with warmth! A student perhaps would paint it with the colours of success and the poet with endless hope! Quite contrary, the whole ensemble of happiness is likely to furnish into a list of aspirations of an individual, that one may dedicate one's life for. What then, if the devotion denies results! Keats defines the adversity of life appositely-

*Spite of despondence, of the inhuman dearth
Of noble natures, of the gloomy days,
Of all the unhealthy and o'er-darkened ways
Made for our searching!*

All happiness turns into dejection. Consequently, the dream loses its charm! The joy is lost! That reminds me that materials don't last long. Everything is mortal and, mortal will be that happiness that shapes like one that belongs to this world! Perhaps, I sound like a broken existentialist! The harmony lies in the interplay of the opposites, and it is believed that Happiness is the shadow of harmony! That reminds me of Neruda - "Love is so short and forgetting is so long!"

We fall for a dream but once it is broken, the bitterness overshadows life. The incompleteness of life is a chain that existence has thrown towards man. He gradually pulls it, and climbs up on the ladder of happiness! Yes! Happiness is the essence of life! Spirituality defines God at the supreme end of this chain, Science defines it as Reason, poets speak of the same as Imagination! Yet He, who pulls the chain, climbs up the ladder of happiness to reach the essence of life!

SENIOR HEAD BOY

Mahaumad Ali once said "Goals are what keep me going." As the Head Boy of the school, I can attest to the fact that 'Focus' is that which guides us to the path of perseverance. Without one's objectives, motivation and aspirations, success is difficult. I would not be writing this, If I had not aspired to be what I am today! Being the Head Boy spurs me to strive for excellence always. This responsibility has brought me face to face with the difficulties a role model has to face. It is important that as a head boy I should lead by example. I have learnt to be kind but not weak, strong but not arrogant and, modest but not scared. Working together with teachers and the administration has provided me with a fantastic chance to give back to my alma mater, partially, but significantly over the last ten years. The ripest of the bunch, we're ready for whatever difficulties lie ahead. I sincerely thank honourable HOS madam and all the teachers who have reposed their faith in me and I promise to return the favour tenfold. I also want to express my gratitude to my parents for their unwavering support and the ideals they instilled in me. I aim to leave this great institution as one of the best Head Boys it has ever had, and I am prepared for any hurdle that may stand in my way of success. Like the former head boys, I hope to serve as an inspiration and a role model to my juniors.

OJAS RANA

SENIOR HEAD GIRL

If inspiration creates dreams, then dreams fuel passion! With diligence, one's dreams can become reality and, such a life is a source of inspiration! For the priceless experience and opportunity that has knocked my door, I would like to thank Almighty, my parents and my Alma Mater, that continues to drive me to dream big and achieve even bigger. I would fail in my expression, if I omit to mention our HOS Madam, my teachers and my parents who have been the firm pillars of strength, supporting me throughout. Their belief has always triggered a spirit that I could raise the bar higher. Holding the prestigious post of the Head girl has given me an opportunity to trail on a luminous odyssey which has not only shaped my personality but has, in due course of time, reshaped my opinions about leadership and responsibility. My school has conferred me the honour that has enabled me to showcase my calibre so that I may come out as confident and caring than earlier. I am what I am because of this very institution and it has engraved an indelible memory in my heart. I will strive to live up to the expectations I bequeathed with.

JUNIOR HEAD BOY

On the stage of destiny where dreams ignite ambitions! I, Vedant Aggarwal, stand before you humbled and honoured, to have been chosen to guide and inspire my fellow mates. Grateful to the divine, I thank the Head of the School and Teachers for entrusting me as the Jr. Head Boy. It is a significant platform for me to learn new things, hone skills of leadership and observation. I have learned some tough lessons of 'Responsibility' and 'Team Management' too. I have developed as a patient listener so that I may collaboratively choose what is best for our school.

I promise to work hard with full devotion, sincerity and dedication.
Thank You.

VEDANT AGGARWAL

(JUNIOR HEAD BOY)

JUNIOR HEAD GIRL

I feel honoured and privileged to be the head girl of our school. It is indeed a pleasure for me to carry out the assigned responsibilities in a sincere, systematic, and dedicated manner. For me, being the Jr. Head Girl is not about position or the title; it is about action and example, which can make a difference. My prime duty is to take care of the norms and discipline in our school. I stand here as a leader, not just to lead but to work in collaboration to achieve the best for our school. I promise to work hard with devotion and determination.

Being the Jr. Head Girl, the best gift I can give to my fellow mates, is my experience. To attain such a position, one should have the courage to be true while being perseverant.

At last, I express my gratitude towards my teachers and fellow students who have trusted my ability to lead and to produce results.

ALUMNI SPEAK

Anushasan Shram Atmabala - we would hear this day in and day out. It was hammered into our brains! After all, it was our school's motto. Back then, it made little sense! Words were just words. Classes were monotonous and life was just about having fun. Now that I look back at it, I realize that it was the freedom I ever had!

I spent a whole 14 years in school. Some memories are bitter, some are sweet, and some are lost in the passage of time - residing somewhere in deep corners of my mind waiting to be explored. Back then things were simpler - going to school, surviving 8 periods, playing after reaching home till I almost landed in trouble with my mom.

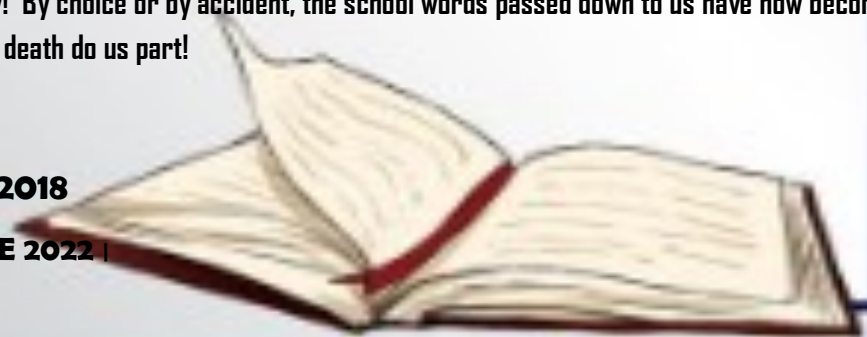

It always felt that there was too much on my mind and the adults around me were trying to control me. I seldom had the power to change things as I do now - I had neither the financial independence nor the experience to do so. What I miss about being in school is my teachers and friends. The freedom to go down a rabbit hole and never return. Exploring things on and on - surrounding myself with a world of my own imagination! Now that chapter of my life has changed, I find the previous one lovely and beautiful. I joined the college and buried myself in computers like never before, reveling in them. I had found the love of my life. Those days of extreme hard work made sense! Everything was so logical, Everything was black and white. Even the nondeterministic things followed a logic. Perhaps, computers were the thing I loved the most and that happened with me gradually as I map the world to a set of axioms to reach logical decisions and axioms. I don't know how to describe it, but the logical world is beautiful beyond imagination! Even the chaos is predictable and deterministic - and I loved it! And I loved the people I met along the way - some kind, some haughty, some unconcerned about their perception. But a lot of them had that drive - a drive I truly envied and Sought after. This fiery passion for wanting to achieve and create something new rather novel. It was more than just inspiring. It was that that paved my path forward so then the journey continues. Years have passed since I graduated from school. But I found myself changing - perhaps because of my current job or because of my love for order - but now I have started incorporating the school's logo to my life.

‘Anushasan, Shram and Atambal’

What I had thought as mere words became my guiding compass. Those words turned into morals to strive for, qualities to garner, Words to live by! By choice or by accident, the school words passed down to us have now become mine - and I plan to live by them, till death do us part!

Additionally, parents and children participated in interactive games such as passing the parcel and impromptu activities, enhancing the learning experience. Mrs. Aradhana Sawhny provided valuable insights into maintaining overall well-being giving tips on Physical, Mental, and Emotional Health

PARENTS SPEAK

I was called by the class teacher of I - E , Mrs. Sunita Saha to play the role of a mother-tutor; a program organized for "parent-student connect" in the classroom. I share my exciting and fun-filled experience I entered the class and was introduced to the cheerful and lovely peers of my son. Next half an hour was mine and I was mesmerised to see the energy and strength the young kids carried with them, and clearly understood the challenge they pose to the class teacher, on daily basis. I started my conversation by asking the kids whether they were filled with energy or drained out – a loud and cheerful chorus was echoing all around which itself was a proof of their energy levels in high. To begin with, the kids were asked to touch their body parts as being called for besides calling for the numbers as displayed. The energy level was high and all kids reciprocated cheerfully. I presented a game named "Listen-Auditory Memory Game", wherein I called three and four-words combination to be repeated in same sequence which many of the young Bagrodians skilfully reproduced.

Given a chance, will engage myself for more such opportunities as such experiences give mothers like me a moral boost. With a big applause to the class teacher for handling these young and energetic students on daily basis is awesome and needs to be respected always.

WISDOMOLOGY

*From cries of joy to the ruins of grave,
From million smiles to the little heartbreaks!
We know..
What it takes!*

Happiness is often identified with pleasure and comfort. Quite ironically the attitude of humans towards happiness is limited to materialism as people tend to associate happiness with materialistic possessions. In the Modern world, an individual is blinded by multiple obsessions, addictions and pleasures. In reality, then what might be the real happiness for us? How should an individual define his idea of happiness? Is it a person, a book, a toy or is it wealth & money? Is it a bunch of flowers? One may have a list of dreams and desires! There's no denying that any individual in his life once is face to face with this question of real happiness. I may not be appropriate in defining true happiness for all humans in totality but with my experience and knowledge I seek to put in words what we call as the real happiness of life.

*Every Night & every Morn,
Some to Misery are Born,
Every Morn and every Night,
Some are Born to sweet delight!
Some are Born to sweet delight!
Some are Born to Endless Night!
We are led to Believe a Lie,
When we see not Through the Eye,
Which was Born in a Night to perish in a Night!*

Though life is short and our quest for happiness is long! I pray Almighty, that we remember the felicitous words of Maya Angelou

*We need Joy as we need air
We need love as we need water
We need each other
As we need the earth we share*

MUSINGS

Happiness

*There's just no accounting for happiness,
or the way it turns up like a prodigal,
who comes back to the dust at your feet!
having squandered a fortune far away,
No, happiness is the uncle you never
knew about, who flies a single-engine plane
onto the grassy landing strip, hitchhikes
into town, and inquires at every door
until he finds you asleep midafternoon!
as you so often are during the unmerciful
hours of your despair!*

It comes to the monk in his cell.

*It comes to the woman, sweeping the street,
with a birch broom, to the child
whose mother has passed out from drink.*

*It comes to the lover, to the dog chewing
a sock, to the pusher, to the basketmaker,
and to the clerk stacking cans of carrots
in the night!*

BY JANE KENYON

"Happiness is the art of learning how to live with purpose and appreciate the beauty in the journey, rather than waiting for the destination." This exceptional quote acts as a cherry on top of this poetry, as it supplements the notion of pleasure with the concept of the elusive and unpredictable nature of joy.

I believe that this brittle world has an ironic purpose of helping you fall each time you try to climb higher, but if you do manage to be yourself and prove your true worth, nothing shall confine you behind the barriers of sadness.

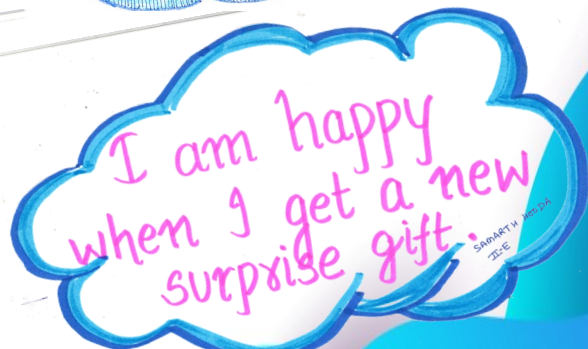

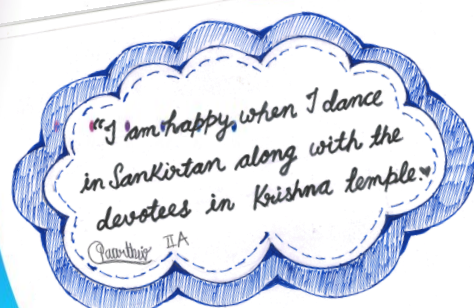

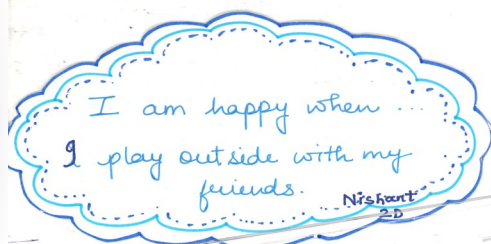

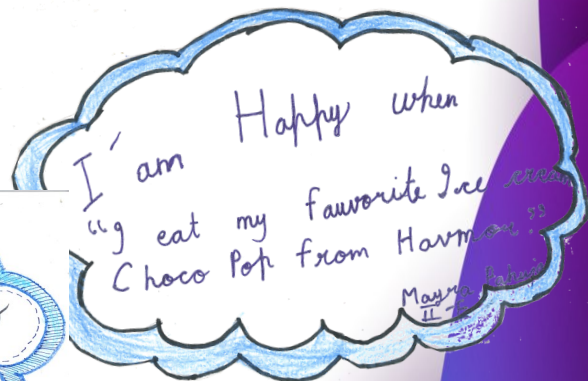

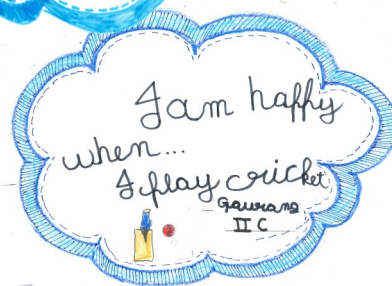

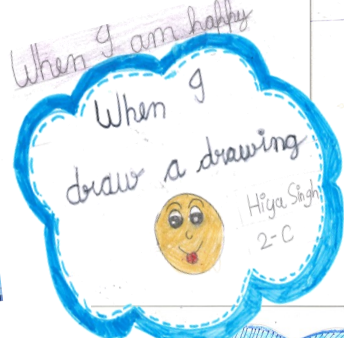

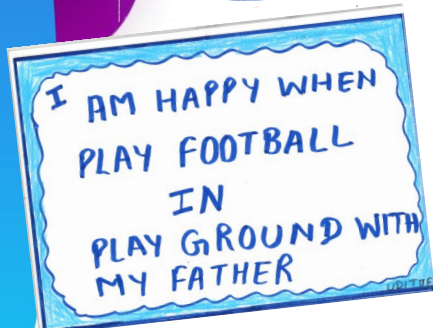

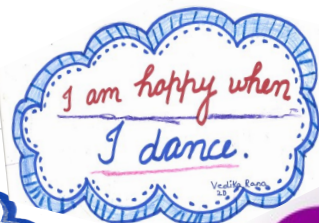

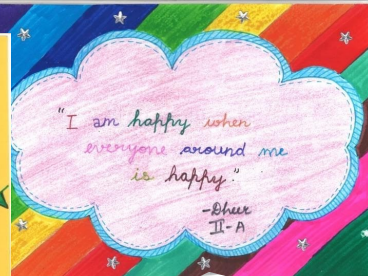

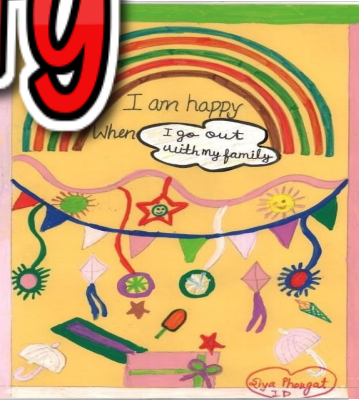

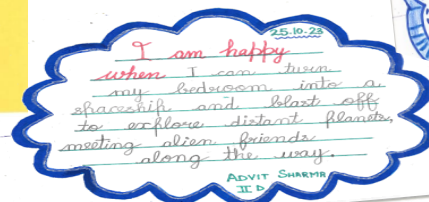

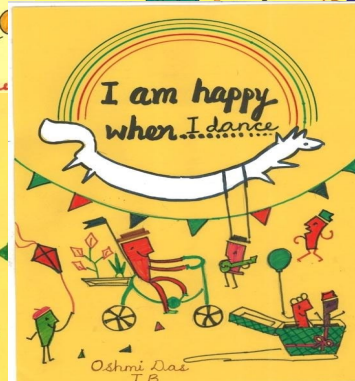

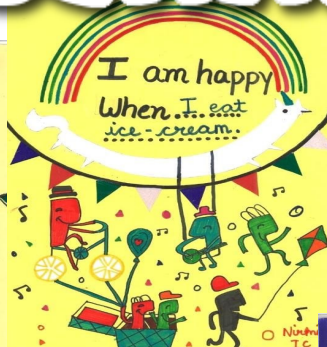

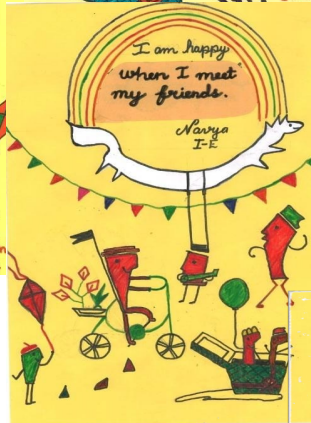

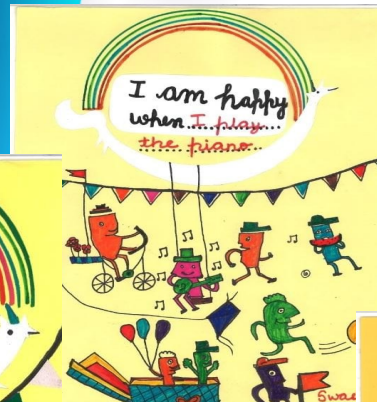

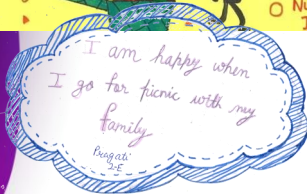

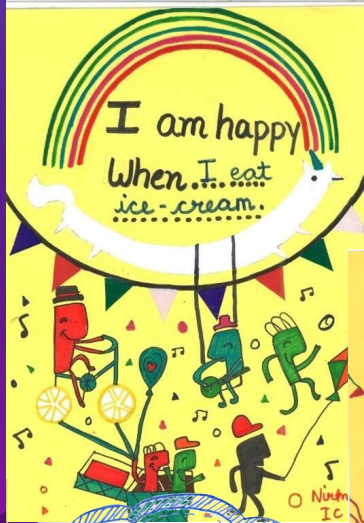

We all have a purpose that we are born to fulfil but the priority is to find the goal that we have been selected for, by our destinies. Every lock has a key and that key lies within us, while each time we think that grass is greener on the other side we fill our pots of gloom deeper. However, no road is easy, but bumpy roads do lead to beautiful destinations. On our way, we may get derailed but, all pain goes off with the arrival of the final destination in the form of a sunny smile. Affirming that the life of a Cheshire cat is not easy but is surely a source of contentment during hellacious moments of life.

Happiness Is In The Air

Happiness is in the air,
Let's share the joy with hearts
that care,
Laughter sound fills everywhere,
Happiness is what we declare.
Smiles shine so bright!
To turn the darkness to light,
Spread the joy, sing it true,
For me and you.
In each moment, let it play,
Happiness is here to stay.

A World of Songs

Happiness is a world of song,
Life's a journey it's never too long.
I feel happy, I can't go wrong,
When I play, I sing along.

With hands full of clay,
I mould my day,
Creating dreams in a play way!
Happiness! it's here to stay!
In every moment, come what may!

Forget Not to smile !

A smile can change your day, a magic display,
Would turn the grey to colours, come what may!
In every grin, a sunbeam's sway,
Brightening moments along the way!
from cheek to cheek,
let happiness stay!
Forget not, with a smile,
troubles fade away!

Happiness is something
people strive for,
Happiness is something
people cannot ignore;
Happiness is something
people fight for,
Happiness is something
that sometimes knocks at
the door.

The freedom we get,
when the sadness departs;
the happiness that we all
share,
It feels the joy in our
hearts.

The joy that we find,
and ask from our mind;
Who is the real joy around?
Our friends and families
come out of the crowd.

~Dhaanya Raj Priya

you're a butterfly,
fluttering through my highs
and lows;
elusive one day,
clear the next;
dear winged beauty,
come land on my flowers
and fill me up with glee.

you're in the rain showers,
drizzling when you least
expect;
storming one day,
dry as a desert the next;
dear glistening showers,
quench my insatiable thirst
and drench me in
merriment.

you're in the wind,
omnipresent as we speak;
visible one day,
obscure the next,
but you'll be there even
when I close my eyes;
dear joy,
bring us pleasure with your
breezes
till we find happiness of our
own.

Happiness Depends Upon Ourselves

We are responsible for our own happiness, it directly depends upon how we think and perceive the life around us. Nothing external can make anyone happy or sad, it all happens within. In the end, it is our own mind that determines whether we feel sad or happy. We are driven by our minds. So, change your thoughts and it will change your life. True happiness lies within each of us! The best way to attract happiness is not to strive for it. Don't strive to be happy, instead, strive to do the things which make you happy and fulfilled. It is easy to be disappointed when one fails to deliver what was desired. Don't let someone else be the main source of your happiness, don't rely too much on any external factor, happiness and fulfilment come from within.

Gauransh Bhalla, VII E

Life is a Bundle of Joy

Life is a bundle of joy, filled with countless moments of happiness and laughter. Each day brings new opportunities and experiences that add colour to our existence. From the simple pleasures of a warm cup of tea on a rainy day to the exhilaration of achieving a long-awaited goal, life never fails to surprise and delight us. It is in these moments of joy that we truly appreciate the beauty and wonder of being alive.

However, life is not just about the big moments of happiness. It is also about finding joy in the little things that often go unnoticed. The laughter of a child, the gentle touch of a loved one, or the beauty of a blooming flower can bring immense joy to our hearts. It is these small moments that remind us to cherish the present and find happiness in the simplest of things. Life is indeed a bundle of joy, waiting to be unwrapped and embraced with open arms.

ELINA'S PET

One day, Elina's parents Mr. and Mrs. Johnson decided to take Elina to the most famous zoo in the state. When Elina heard about the news, she was very curious as well as excited about how animals would look in real life. Because she had only seen action figures of the animals. Mr. Johnson had rented a caravan for the trip. They all were ready to go. When they reached the Zoo, they checked in and entered the zoo.

They saw a giraffe eating leaves, an elephant bathing in the pond, a Lion roaring and a gorilla eating bananas. They all were enjoying a lot. Mrs. Johnson had brought a camera to capture the memories. When they were leaving the Zoo, Mr Johnson saw a stall where pet animals were being sold for free. He took Elina there as he knew that she loved dogs. When Elina reached the stall, she saw a basket that was kept beside the stall on the ground. Since the dog had a strain on his right leg and was not able to walk, it was kept in this manner. The shop-keeper may have thought that he was different from all other animals. She picked the dog and thought she would take care of the dog and try to cure him. The dog was very gentle and she took him in her arms and the dog smiled bright like a sun. She was happy to make the day for the puppy and herself too. "Making others happy makes us feel better."

By-Lavanya Koul, VII E

Happiness

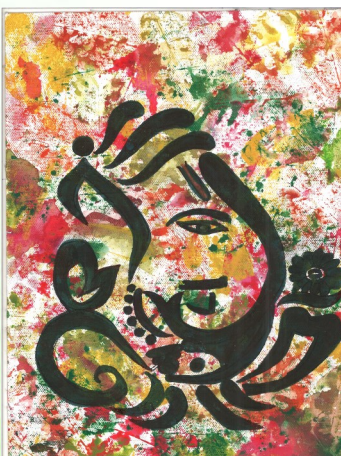

Have you ever wondered whether happiness is determined by external factors or by ourselves? Well, I believe in the latter. Even science backs this statement! The hormones which make us feel the sensation of happiness such as dopamine and serotonin, are produced in our body. It is up to us to be satisfied with the mundane pleasures of life, such as observing a butterfly flirt around a beautiful flower. The word 'happiness' originates from 'happ'; the Norse word, which means luck or chance. And feeling ecstasy is truly the best feeling that only a lucky man can experience.

Let me recall an anecdote: -

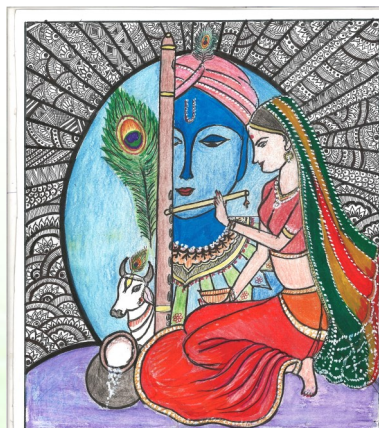

I was in the town of Mussoorie, in the back seat of my parents' car, watching the deodar trees flit. When we stopped for some refreshments, I observed a bunch of petite yellow wallflowers growing out of a fissure in a rock. A group of sparrows was playing happily amongst them, occasionally picking at some insects. A little boy was having fun shooing away the birds, but as soon as he went away, the birds came back to continue frolicking. This routine repeated itself several times, but each time, the birds came back they were more than happy as before.

We should learn from these birds that one's happiness should not be dampened by another. What's the use of happiness-teaching books if one does not learn to live in the moment?

Happiness: A Gift Waiting to be Found

When shall I receive my joy and pleasure?
I have longed for days of laughter,
Later I realized it cannot be measured.
Happiness is not received, it is sought after!

The greatest gift with we have been blessed
Is pleasure, that is spread through the Earth!
Those who will claim it, will find their own happiness
And see how much their life's worth!

Our years to live are very less.
Yet, it is not the years that matter.
The finder lives each with happiness,
Making the best out of life with joyful chatter.

Pleasure is really in each path and way,
But only for those who seek to find it every day!

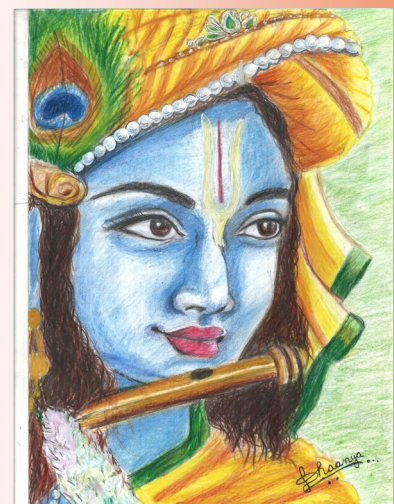

-Anvi Dhar, IX – B

A Different Kind of Happiness!

I have started to do that again
picking up fallen flowers again,
Looking at the stars again!
I have begun to converse with moon!
Sitting out of my room,
learning to smile!
Wandering just to walk a mile,
going through new doors,
Laughing out loud awhile!
looking at old photographs.
I have started to do it all!

And times have changed for the better!
No matter if the act seems small!
I know it's not less than a self-love letter!
I have started, and it's better!
This calm sort of happiness, matters!

Happiness: Sheer Intrinsic Contentment

A beautiful song that must be heard by many at some point in their life.

'In every life we have some trouble.

But when you worry, you make it double

So, Don't worry be happy

Don't worry be happy now '

This song an insight into the idea of happiness-the longing of every individual as it comprehensively delves into the human nature. Literally, happiness means a positive and pleasant emotion, ranging from contentment to intense joy. But is happiness same for each and every individual on this planet? Is there a difference between pretending to be happy and actually being happy?

The most obvious kind of happiness that we get is from things or from materials around us. The satisfaction that we get while purchasing new possessions, such as electronics or books and other things is often overwhelming and inexplicable. Certain things provide us more than satisfaction, they give us a feeling of being higher than others, especially when it comes to expensive goods. But, is it really so? Well! if this logic is true, then a person can never be happy in this world. Externally speaking, it is human tendency to always crave more. Also, these opulence fade with time. So, what is happiness? Happiness is directly related to internal satisfaction. Unless and until one is not satisfied in the situation, he or she can never be happy. All these evidences highlight the importance of internal satisfaction as the greatest source of happiness.

Happiness is fragile !

Happiness is not something
we miss!

it's something we lack!

I am happy with those plastic souls,
but not that happy she made me feel!

Yes, I smile, I smile every day!
every moment!

Somehow, I feel contradiction of happiness
around!

She used to say and I quote

what a pretty smile you got,

The charming of all!

meanwhile ended up taking it away with her.

She isn't my lover!

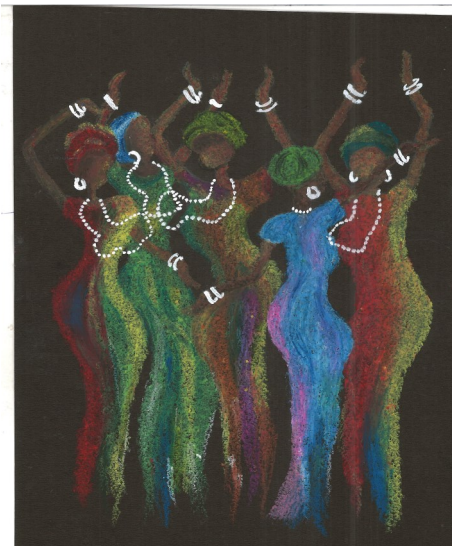

Isn't ideally the soulmate to my soul!

the sister I never had!

the secret diary yet unread!

HAPPINESS: SHEER INTRINSIC CONTENTMENT

A beautiful song that must be heard by many at some point in their life.

But when you worry, you make it double

So, Don't worry be happy

Don't worry be happy now '

A DIFFERENT KIND OF HAPPINESS!

I have started to do that again
picking up fallen flowers again,
Looking at the stars again!
I have begun to converse with moon!
Sitting out of my room,
learning to smile!
Wandering just to walk a mile,
going through new doors,
Laughing out loud awhile!
looking at old photographs.
I have started to do it all!

And times have changed for the better!
No matter if the act seems small!
I know it's not less than a self-love letter!
I have started, and it's better!
This calm sort of happiness, matters!

HAPPINESS: THE HEART OF LIFE

The greenest of grass, a cool wind gushes across your face and the descending sun makes everything seem golden and lit up. Your furry mate sprints towards you and licks most of your beautiful face. Then you hear the ice cream truck passing by, so you go buy yourself the most artificially colored, sugary, popsicle. It drips down your hand but you don't care.

Can you feel it ? The sweet sense of optimism and the burden of the world off of your shoulders, the gush of dopamine in your veins, and that tingly feeling in your brain while you smile ear to ear.

It's not so tough being happy now, is it?

When I hear the word "happiness", I picture myself dancing to cheesy, cheerful songs with my best friend in the whole wide world. Just two young girls with their floppy limbs and their Cheshire cat grins.

It may span out more compound or, perhaps simpler for you.

As Oscar Wilde said, "Some cause happiness wherever they go; others whenever they go." Everyone has their own version of happiness and their own people for it.

It isn't a treasure to be discovered, or a couple million dollars to be saved or invested. What it is, are the tragic jokes your friends make, yet you laugh like a maniac; and the piece of cake you have on a bad day. It's child's play, unlike the chemistry it took to bake that cake in the first place.

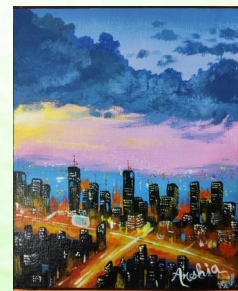

It's persevering to get done with your chemistry assignment, then reward yourself with a creditable while of netflix. The warm embrace of a long lost friend. The sunshine that hits your face in December.

Happiness is the simpler things in life you think about when you're eighty with remnants of that Cheshire cat grin.

It is a state of mind. As beauty lies in the eyes of the beholder, you may find reasons to feel this way if and when you want to. The rich are miserable. Whereas, the beggars on the roadside are ever smiling.

Happiness is a reason for you to pray for a hundred more years of life; to be grateful. For it is the only thing which segregates the alive and the living.

आह्लाद

गागर हो हास की

तरंगिणी हो परिहास की

गर्जन हो उल्लास का

तभी होगा सृजन आह्लाद का

हमारी यह वार्षिक पत्रिका नवांकुर से नवयौवना में परिणत होने जा रही है । जिसका श्रृंगार हमारे छात्रों की प्रतिभा से हुआ है । जिन्होंने अपनी कलम की ताकत से इसका न केवल सृजन किया बल्कि उसे अपने विचारों और शब्दों से अलंकृत भी किया है । हमारी इस पत्रिका में आह्लाद से आह्लादित करने वाले सभी गुण साहित्य की भिन्न विधाओं में देखते ही बनते हैं । छात्रों की लेखन एवं रचनात्मक क्षमता अति सराहनीय है । लेखकों द्वारा उनकी रचनाओं में प्रस्तुत विचार एवं दृष्टिकोण उनके अपने हैं इसलिए हम अभिभावकों से भी छात्रों की सृजन - कलम का आह्लादकार अभिनन्दन चाहते हैं । यह पत्रिका एक ऐसा मंच है जहाँ छात्र अपने मनोभावों को शब्दों में पिरोकर कविता , कहानी , लेख आदि में उकेरते हैं जो तनाव को कम कर बच्चों को उर्जावान बनाता है ।

छात्रों के इस छोटे से प्रयास की आपकी ओर से होने वाली सराहना इनमें उल्लास भरने का कारण बनेगी ।

इस बार का अंक आपके लिए उत्सव जैसा होगा इसी शुभकामना के साथ

आपकी प्रतिक्रियाओं की प्रतीक्षा रहेगी ।

१४ सितंबर ,सन् १९४९ वह पावन तिथि है,जब हिंदी को राजभाषा के रूप में घोषित करके भारत देश ने अपने अचेतन शरीर में एक नई चेतना जाग्रत की थी। वास्तविक रूप में भारत की आत्मा ने उसी दिन पूर्ण स्वतंत्रता प्राप्त की थी,जिसने हमें एक नई पहचान व गति दी ।और तब से हम अपनी मातृभाषा के गौरवमय इतिहास को याद करके उसे पुनः एक उन्नत सोपान की ओर यह सोचकर बढ़ाने का प्रयास करते हैं कि यही अपनी मधुरता व वैज्ञानिकता से स्वयं को परिभाषित करते हुए देश के सम्मान को अक्षुण्ण रखेगी। हिंदी की जीवन्तता और उसके स्वाभिमान हेतु एन के बागडोदिया विद्यालय, द्वारका, सेक्टर - ४ के प्रांगण में विद्यालय की मुख्याध्यापिका कुमारी अंजली खरबंदा जी की प्रेरणा से (१४ सितम्बर २०२३) को हिंदी दिवस का आयोजन किया गया ।हिंदी का अभिमान तो हमारी रग-रग में है,परंतु इस विशेष दिवस से अपनी भावी पीढ़ी को परिचित करवाने हेतु प्रस्तुत विद्यालय में हिंदी दिवस के अंतर्गत अनेकानेक गतिविधियों का आयोजन किया गया ,जिसमें कक्षा प्रथम से लेकर कक्षा तृतीय तक के छात्रों ने प्रेरक विषयों पर अपनी काव्य एवं विज्ञापन प्रस्तुति सुसज्जित वेशभूषा सहित दी जो उनमे हिंदी के प्रति प्रेम बढ़ाने और उसे अपनाने की ओर अग्रसर करेगी । छात्रों की प्रतिभाओं की सराहना करते हुए मुख्याध्यापिका द्वारा उन्हें पुरस्कृत किया गया ।

कारगिल दिवस

कारगिल विजय दिवस स्वतंत्र भारत के सभी देशवासियों के लिए एक बहुत ही महत्वपूर्ण दिवस है। भारत में प्रत्येक वर्ष 26 जुलाई को यह दिवस मनाया जाता है। इस दिन भारत और पाकिस्तान की सेनाओं के बीच वर्ष 1999 में कारगिल युद्ध हुआ था जो लगभग 60 दिनों तक चला और 26 जुलाई के दिन उसका अंत हुआ। इसमें भारत विजयी हुआ। कारगिल विजय दिवस युद्ध में शहीद हुए भारतीय जवानों के सम्मान हेतु यह दिवस मनाया जाता है। हमारी आगामी पीढ़ी को भी अपने गौरवान्वित इतिहास से परिचित करवाना विद्यालय का दायित्व है। यह तो स्थान्तरित होती है। इसी क्रम में एन० के० बागड़ोदिया पब्लिक स्कूल, सेक्टर-4 के छात्रों ने कारगिल युद्ध के बारे में बताते हुए सर्वप्रथम भारत-पाकिस्तान के प्रधानमंत्रियों के मध्य शांति समझौते का मंचन किया और उन्हीं के पीठ पीछे उठ रहे पाकिस्तानी आर्मी चीफ परवेज़ मुशर्रफ़ की साजिशों का उद्घाटन भी।

Salute to the brave sons
of mother India

भारतीय वीरों ने तिरंगे के आन-बान-शान को झुकने नहीं दिया। हिमशिखरों में उनकी जांबाजी की गवाही वहाँ का कण-कण आज भी गाता है। द्रास टिल, टाड़गर हिल आदि जिस पर दुश्मनों की नज़र टेढ़ी हो चुकी थी, जल्दी ही हमारे सैनिकों ने वापस पा लिया। जीत तो शानदार थी, जिसकी स्मृति आज भी दुश्मनों को हिला देती है, परंतु युद्ध के साथ विभीषिका भी दस्तक देती है। कई सैनिकों के शरीर पर तिरंगा लिपट कर उन्हें विदाई दे रहा था तो उनके परिजन आकाश के चमकते सितारों में अपने लाल को ढूँढ रहे थे और बच्चा - बच्चा कह रहा था - 'रे शहीदे आ, मैं तेरी आरती उतार लूँ'। छात्रों द्वारा प्रस्तुत इस झाँकी ने सभी के रोंगटे खड़े कर दिए और जब एक छात्र ने गाया-

हैं नमन उनको जो इस देह को अमरत्व देकर शौर्य की जीवित कहानी हो गए हैं 'तो सभी की आँखें नम हो उठीं। अंत में प्रधानाचार्या सुश्री अंजलि खरबंदा जी ने हमारे वीरों के प्रति शब्दांजलि अर्पित करते हुए बच्चों के प्रयास की सराहना की। भारतमाता की जयघोष से प्रार्थनास्थल गूँज उठा। राष्ट्रीय गान की मधुर स्वर लहरी के साथ

पार्क में एक सुबह

रविवार का दिन था। मैं सुबह उठकर अपने पापा के साथ सैर पर गई। उस दिन बड़ा सुहाना मौसम था। मैं और मेरे पापा पार्क के अंदर गए, हमने देखा बहुत सारे लोग पार्क में थे। कुछ लोग एक समूह बनाकर व्यायाम कर रहे थे, कुछ लोग समूह बनाकर बातें कर रहे थे, मैंने देखा पार्क में बहुत सारे बच्चे खेल रहे थे। मैं भी उनके साथ खेलने लगी। कुछ बच्चे बैडमिंटन खेल रहे थे, कुछ बच्चे बर्फ - पानी खेल रहे थे, कुछ बच्चे झूला झूल रहे थे। मैंने बारी - बारी से सभी खेल खेला। मैंने देखा कि पापा अपने दोस्तों के साथ बैठकर बातें कर रहे थे। थोड़ी देर बाद पापा ने मुझे आवाज़ लगाई, फिर मैं अपने पापा के पास गई और हम पार्क से बाहर आ गए। पार्क के बाहर एक नारियल का ठेला था, मैंने और मेरे पापा जी⁵ ने नारियल पानी पिया। वहीं पास खड़े एक बच्चा खड़ा था जिसे देखकर लग रहा था कि वह भी नारियल पानी पीना चाहता है पर विवश था। मैंने उससे फिर हम वापस घर आ गए। मुझे और मेरे पापा को पार्क में बहुत मजा आया।

मेरे घर में चूहा घुस आया। मैंने उसको देखा चूहा इधर-उधर भाग गया। जब उसने घर का सामान कुतर दिया तब फिर मैंने चूहे को पकड़ने के लिए एक पिंजरा लगाया पर फिर भी चूहा हाथ न आया। मैंने फिर बिल्ली मौसी को बुलाया, फिर मैंने बिल्ली मौसी को खुशी से फिर दूध पिलाया फिर चूहा नौ दो ग्याहर पाया।

परिवार के साथ बिताये कुछ क्षण

एक बार मैं और मेरा परिवार गर्मियों की छुट्टियाँ बिताने गाँव गए। वहाँ दिन भर मस्ती करके हमने रात को खाना खाया और फिर पूरा परिवार साथ में बैठ गया। सब ने सोचा क्यों ना साथ में कुछ मस्ती की जाए तो हमने खेल खेला जिसमें हमें किसी न किसी की नकल करनी थी। तो मेरी दीदी ने मम्मी की कितनी अच्छी नकल की मेरी आँखों से हँसते-हँसते पानी आ गया। वह दिन सभी दिनों में से सबसे अच्छा था। हम सब बहुत खुश थे और साथ थे।

चूहे की खिटपिट

मेरे घर में एक दिन एक,
मोटा -सा चूहा आया।
गोल -मटोल, काला - काला,
दिखने में मोटा -ताजा।
खिटपिट- खिटपिट करता रहता,
दौड़ता -भागता इधर-उधर।
फल- सब्जी, कागज, किताबें,
कपड़ों पर रहती उसकी नजर।
गोल-गोल आंखें दिखलाकर,
फुर्ती से वह छिप जाता।
मम्मी -पापा, भैया - दीदी,
दादी - दादा को बहुत सताया।
कैसे पकड़े? कैसे मारे?
यह प्रश्न खड़ा था सिर पर।
तभी पापा दो पिंजरे लाए,
रखे घर के कोनों पर।
उसी रात ही उसकी हरकत से,
पकड़ा गया नटखट चूहा।
तब दादी को चैन आया और,
दोनों को जंगल में ले जाकर,
उसको उसकी जगह पर पहुँचाया

पार्क का महत्व

पार्क एक सुंदर स्थान है जहाँ लोग विश्राम और मनोरंजन के लिए आते हैं। मेरे पापा रोज़ सुबह पार्क में मुझे भी अपने साथ लेकर जाते हैं। पार्क में खुली हवा, फूल, झूले और आकर्षक चीज़ें होती हैं। मैं पापा के साथ पार्क में सैर करने जाती हूँ। इसके अलावा बहुत सारे झूलों पर भी झूलती हूँ। पापा कहते हैं सुबह की स्वच्छ हवा और हरियाली हमारे शरीर के लिए लाभदायक है। मैं पापा के साथ पार्क में रेस भी लगाती हूँ।

चीकू की कहानी मेरी जुबानी

मेरे भाई का नाम निहित है। उसे प्यार से सब चीकू कहते हैं। एक बार मेरे मामा जी ने मुझसे पूछा चीकू कहाँ है। मैंने कहा वह तो अभी खेल रहा है। मामा जी ने हँसते हुए कहा मैं उसकी नहीं चीकू फल की बात कर रहा हूँ। इस पर सब इतना हँसे कि मेरी आँखों से हँसते-हँसते पानी आ गया।

नटखट चुहिया

एक बार जब मेरे घर में चुहिया घुस आई तो मैंने देखा कि चुहिया देखकर मेरी मम्मी बेड पर चढ़ गई और वह घर में इधर-उधर दौड़ रहा था, कभी फ्रिज के पीछे तो कभी टेबल के नीचे आ जाता। तब मैंने एक बिस्किट लिया और उसे बाहर दरवाजे के पास रख दिया। जब चुहिया उसे खाने के लिए आया तो मैंने झट से दरवाजा बन्द कर दिया और चूहा बाहर चला गया और मुझे चुहिया से छुटकारा मिल गया।

जब मुझे पार्क में चोट लगी

एक बार की बात है। मैं अपने पापा के साथ पार्क जा रहा था। वह पार्क बहुत खूबसूरत था, और उसके अंदर बहुत सारे रंग-बिरंगे झूले थे। वह पार्क एकदम साफ - सुथरा था। मेरे पापा ने मुझसे कहा कि आप झूले पर झूल कर आ जाओ। फिर मैं झूला झूलने चला गया। और मेरे पापा अपने दोस्तों के साथ गप्पे लड़ाने चले गए। मैं बहुत देर तक झूला झूला फिर मेरे पापा ने बोला कि घर जाने का समय हो गया है। मैं आखरी बार जब फिसल पट्टी पर गया तब मैं नीचे गिर गया और मुझे चोट लग गई वहाँ खड़े सभी बच्चे मुझे देखकर ज़ोर-ज़ोर से हँसने लगे। यह देख मेरे पापा ने घबरा गए और तुरंत मुझे घर ले आए और घर पहुँचने पर मेरी मरहम पट्टी कर दी।

तब हम आएँगे स्कूल,

हंसी से मेरा नाता

दूर कहीं पर्वत के पीछे,

कोई सुख जिंदगी में लाता है,

क्योंकि हंसी से मेरा नाता है।

हंसी है मां की शांति में,

है घर के आंगन में,

मेरी मां की प्यारी बातों में,

मेरी बहन की शरारतों में,

मैं खुश हूँ अपने घर परिवार में,

मां चिंता मुझे सताती है।

मैं हंसता हूँ दिल खोलकर,

क्योंकि हंसी से मेरा नाता है।

स्वस्थ जीवन का मंत्र

हँसी से मेरा नाता ऐसा है,

कि मैं क्या कहूँ,

वह तो मेरे जीवन में

प्रतिदिन महत्व रखती है।

हँसी सबसे अच्छी दवा है,

यह तो सभी जानते हैं,

लेकिन आजकल इसका,

इंसान से कम ही नाता है।

पुराने दिनों में शाही तरीके थे,

एक राजा की हंसी के लिए,

एक दरबारी का विदूषक के पास जाना।

किसी जोकर, क्लब या थिएटर ,पब में

अपनी खुशी खरीदने के आजकल जाना पड़ता है।

क्रोध से व्यक्ति के तनाव का ,

और हँसी से विश्राम का नाता है।

लेकिन फिर भी व्यक्ति ,

निराशा को क्यों चुनता है?

मैं तो बस इतना ही कहूँगी कि,

दो अपने स्वास्थ्य पर थोड़ा ध्यान,

और हर दिन हँसने का करो अभ्यास,

सचमुच बहुत अच्छा लगता है।

सब कुछ बदला-बदला- सा लगता है।

हँसी से मेरा नाता

जब मैं थी महीने तीन की ,

गुराने जैसी आवाज निकालती, नौद मैं भी मुस्काती,

गुदगुदी होने पर हँसती।

पहली बार हँसी से नाता बनाती,

कदमों पर चलना सीख, साईकल की पहली सवारी ,

माता- पिता की मैं दुलारी,

खुशी से अपना नाता बनाती।

स्कूल में पहला दिन ,

दौड़ का पहला मैडल,

टीचर का प्यार पा,

आगे बढ़ती जाती।

हँसी से नाता बनाती,

क्योंकि हँसी ही है वह मंत्र,

सफल जीवन की जो है चाबी॥

मेरा नाता है हँसी से,

जो दिल से निकलकर लबों पर आती है।

अपनी मंजिल को पाने पर जो,

मेरा नाता है हँसी से,

जिससे हर चेहरा अच्छा लगता है ,

और चेहरे पर नूर ,

कुछ अलग सा चमकता है॥

सोच बदलो

यदि तुम सोचो जंगल मार डालेगा,
तो जानवर कैसे जिए वहाँ।

यदि तुम पाओ पहाड़ का डर ,

क्या तुम न देखो उसकी उमंग?

यदि तुम सोचो अंत में है मरण,

तो मज़ा तू कैसे पाएगा।

खुशियाँ तो तुझे मिलेंगी तब,

जब तू बुराई से हट जाएगा।।

वन का पावन जीवन

वह जंगल अंधकार भरा,
भयभीत हुए हैं व्यक्ति,
परन्तु इस अंधकार की मंजू,
कौन करे अभिव्यक्ति ?

वृक्ष उसके अंबर को छूते,
नीचे शीतल छाया,
तपती धूप के क्रोध में,
आनंद किसने न पाया?

चहचहाहट खगों की फैले,
यही वन की रीत,
वृक्ष, जल, पवन जंगल की,
हैं सब पावन मीत ।

कंटक, जीव आदि जंगल के
कष्ट बहुत पहुँचाते,
कठिन जीवन से विहीन,
क्या वन किसी को भाते?

अमंगल जीवन मंगल लागे, मंगल राखें सोच,
वन में जीवन पावन लागे,
क्यों करना संकोच।

सावन वन की पावन लागे,
शीत में संतोष ,
वसंत ऋतु का सौंदर्य,
गर्मी का संकोच।

वन में जीवन से क्यों डरना,
राखें सब विचार,
वन का जीवन शुद्ध और पावन,
सब करें प्रचार ।

जंगल में ढोल

एक बार एक ढोल वालों का झुंड जंगल में रुका। जाते वक्त एक ढोल पीछे छूट गया। ढोल लुढ़कते-लुढ़कते एक झाड़ी में जा अटका वही पर एक नीम का पेड़ भी था। उस पेड़ की टहनी लचीली होने के कारण हवा के बहाव से ढोल पर जोर से टकराती और इससे बहुत तेज़ आवाज होती। इस आवाज का पूरे जंगल में भय था। इस पेड़ को अब भूतिया पेड़ कहा जाने लगा। एक बार दो लोमाडियों ने इसका राज जानना चाहा और अगले ही दिन वे दोनों उस पेड़ के पास पहुंचे। अचानक हवा का झोंका आया और टहनी ढोल पर जोर से टकराई और ढोल टूट गया। उन्होंने जंगल में यह बात बाकी जानवरों को बताना चाहा, परंतु किसी को उनकी बातों पर विश्वास न हुआ, क्योंकि उन्होंने सोचा भी नहीं था कि ऐसी भी कोई चीज़ होती है।

शादी का माहौल

मेरी बड़ी बहन का नाम साक्षी है। उनका बचपन से सपना था कि वह बड़े होकर डॉक्टर बने। वह अपने इस सपने को पूरा करने के लिए बहुत मेहनत कर रही थी। मेरे बड़े भाई की शादी आने वाली थी। मैं और मेरी बहन ने बहुत तैयारी की थी नाच-गाने की परंतु मेरी बहन की परीक्षा नज़दीक थी। उन्होंने यह ठान लिया कि नाच-गाना तो फिर हो जाएगा परंतु जीवन में सफल होने के लिए ज़िदंगी आपको बार-बार मौका नहीं देती। उन्होंने अपनी डॉक्टरी की तैयारी करने में आकाश पाताल एक कर दिया। जब दीदी का परिणाम आया, तो आखिर कार उनकी मेहनत रंग लाई और अब वह एक डॉक्टर बन गई- (डॉ० साक्षी)। माँ और पिता जी की खुशी का ठिकाना नहीं था। आज तो नाचेंगे, गाएंगे और उल्लास से इस मौके को मनाएंगे। जिन भईया की शादी थी उनको यह खबर पता चली और खुशी से झूम उठे। भाईया ने डीजे लगावाया और हम खुशी, उमंग और उल्लास से खूब नाचे। खुशी की बात यह भी थी कि अब मेरे मामा की शादी थी। हम शादी में खूब नाचे, झूमे और बहुत आनंद उठाया।

जंगल में मंगल

मैं आपको आज एक बहुत ही अच्छी कहानी सुनाने जा रही हूँ जिस का नाम है जंगल में मंगल। जिसका मतलब है जंगल में मौज-मस्ती। यह एक सत्य घटना है। एक दिन मेरे परिवार का कहीं घूमने जाने का मन बना, तो हम सब कहीं ना कहीं जाने की बात करने लगे। तब मैंने अचानक से बोला कि हम जंगल में मजे करने चलते हैं, तो सब लोग इस बात पर सहमत हो गए। अगले दिन हमने जंगल जाने की तैयारी शुरू कर दी और उसके बाद मैं अपने परिवार के साथ जंगल के लिए निकल गई तथा हम गाड़ी में बहुत मज़े करते हुए जंगल में पहुंच गए। वहाँ पहुंच कर हमने अपना चादर बिछाई और खेल खेलने शुरू कर दिए। वहाँ हमने बहुत खेल कैरम, कबड्डी, फुटबाल खेला। वहाँ हमने ट्रैकिंग भी की। वहाँ पर हमने स्वच्छता का भी ध्यान रखा और कूड़ा नहीं फैलाया। उसके बाद हमने बहुत सारा खाना खाया, पेप्सी भी पी। फिर हम घर के लिए निकल गए।

जीवन की उमंग

ऐसा जीना भी क्या जीना ,जिसमे न हो उमंग।
ऐसा जीवन तो है जैसे फूल बिना रंग।
नहीं जीत पाओगे जिंदगी में, अगर रहोगे दुखी ।
जीतना है इस जीवन में, कुछ तो रहना पड़ेगा सुखी।
पूरी दुनिया में बिखरा पड़ा भर-भर के उल्लास।
जो इसको ढूँढ ले ,वह बन जाता है खास।
वह भी है इस धरती पर प्रसन्न,
जो है एक फकीर ,
वह भी है दुख में डूबा ,
जिसको हम बतलाते है अमीर।।

जीवन के रंग

हमारे इस जहान को भगवान ने कई रंगों से बनाया है ।यह रंग केवल मामूली रंग नहीं बल्कि परमात्मा की कलात्मक रचना है जो मनुष्य के जीवन, उसके व्यवहार को दर्शाता है जैसे-काला रंग जीवन की नकारात्मकता, फीकापन दर्शाता है वही सफेद रंग जीवन की शांति, ठहराव को दर्शाता है इसी प्रकार जीवन के हर भाव को कोई न कोई रंग दर्शाता है ।रंग जीवन की खुशियों का प्रतीक है ।परमात्मा की चित्रकारी में यह रंग एक बहुत अहम भूमिका निभाते हैं ।प्रेम, शोक, दुःख, सुख, शांति,खुशी सब इन रंगों की ही देन हैं ।सतरंग जीवन की खुशी का प्रतीक है जो मिलकर वातावरण को सौंदर्य प्रदान करती हैं उसी प्रकार हमारे सभी भाव मिलकर जीवन जीने योग्य बनाते हैं ।हमारा जीवन इन रंगों का अद्भुत मिश्रण है।कभी क्रोध का लाल रंग, प्रेम का गुलाबी रंग तो कभी नकारात्मकता का लाल रंग क्योंकि यह रंग ही जीवन के प्राण हैं ।ज़िन्दगी के हर रंग को जीने का नाम ही ज़िन्दगी है ।

प्रेरणा

हम तो नाचेंगे नाचेंगे यह एक हिंदी वाक्यांश है जिसका अर्थ है कि हम अपने जीवन में खुशी और उत्साह बनाए । चाहे दुनिया हमें कितना भी दुखी करे हम अपने सपनों और आकांक्षाओं के लिए लड़ेंगे। हम कभी हार नहीं मानेंगे । हम जीवन की सभी बाधाओं और चुनौतियों के बावजूद भी सकारात्मक और आशावादी दृष्टिकोण रखेंगे। हम अपने का जीवन का आनंद लेंगे और हम हर पल खुशी में भरेंगे। हम अपने सपनों के लिए लड़ेंगे । हम कभी भी अपनी आकांक्षाओं को नहीं छोड़ेंगे। चाहे दुनिया हमें कितना भी हतोत्साहित करे, हम अपने लक्ष्य को प्राप्त करने के लिए कड़ी मेहनत करेंगे और सफलता प्राप्त करेंगे । हमें जीवन में आगे बढ़ाने और जीने के लिए यह वाक्य प्रेरित करता है यह हमें यह बात याद दिलाता है कि हम सब कुछ कर सकते हैं अगर हम अपने सपनों के लिए लड़ने के लिए तैयार हैं। एक बीमार व्यक्ति इस वाक्यांश से प्रेरणा ले सकता है कि हम अपने जीवन में खुशी और उत्साह बनाए रखें। वह अपने परिवार और दोस्तों के लिए जी सकता है और उनके लिए खुश रह सकता है वह अपने सपनों को पूरा करने के लिए लड़ सकता है और अपने जीवन में सफलता प्राप्त कर सकता है। एक व्यक्ति जो किसी आर्थिक समस्या से गुजर रहा है वह इस वाक्य में से प्रेरणा ले सकता है और वह अपने सपनों को पूरा करने के लिए कड़ी मेहनत कर सकता है। वह कभी हार नहीं मानेगा और अपने जीवन में सफलता प्राप्त करेगा यह हमें याद दिलाता है कि हम सब कुछ कर सकते हैं अगर हम अपने सपनों के लिए लड़ने के लिए तैयार हैं।

खुश रहना सीखो

जिंदगी की इस यात्रा में, आओ ऐसे लग जाएं गले
कि सारा संसार खुशी से झूमे, कोई दुख दर्द ना खले
अनुभव सिखला जाती है जिंदगी, दशा भी दिखा जाती है
सुख, दुख, प्रेम, एकता- एक ही पल में बता जाती है
पर समझ नहीं आता क्यों-
क्यों हमें खामियों से सजा जाती है
पर फिर भी, हमें खुश रहना सिखा जाती है
जिंदगी यह बताती है

चाहे तुम्हें कुछ न मिले, तुम संघर्ष करना सीखो
पर अगर कभी तुम्हारा हक छीन जाए, तो अपने हक की लड़ाई लड़ना सीखो
जो दूसरों की गलतियों को अपना बना ले, वह निर्देशक बनना सीखो
अपनी कामयाबी से जो प्रेरित कर जाए, वह प्रेरक बनना सीखो
तुम खुश रहना सीखो....

वह सौभाग्यशाली व्यक्ति क्या, जो एक फकीर की कद्र ना करे!
वह सहनशील आदमी क्या, जो अपनी अभिलाषाओं के लिए नियंत्रण खो बैठे
वह समर्थ विद्वान क्या, जिसके शब्दकोश में मूर्ख लिखा हो
वह पंछी भी क्या, जिसने आंधी के समय अपनी का साथ छोड़ा हो
इस यात्रा की एक-एक पद पर,
सपनों का शुभारंभ करना सीखो,
असफलता को गले लगाकर, गलतियों को कुबूल करना सीखो
जरूरी नहीं सब कुछ तुम्हारे पक्ष में हो इसीलिए कष्ट सहना सीखो
दूसरों के लिए प्रसन्न और अपने लिए संतुष्ट रहना सीखो
तुम खुश रहना सीखो.....

चाबी खुशी की

खुश रहना जीवन का एक बहुत अहम हिस्सा है। इससे हम केवल शारीरिक ही नहीं अपितु मानसिक रूप से भी स्वस्थ रहते हैं। खुशी वह चाबी है जिससे हम दूसरों को खुश कर सकते हैं, और स्वयं भी खुश रह सकते हैं। खुश रहने से हमारे अंदर आत्मविश्वास की भावना जाग्रत होती है। इससे हमारे आस-पास एक अच्छा आवरण बनता है और नकारात्मक तरंग हमसे दूर रहती हैं। खुश रहने से हमें लक्ष्य प्राप्ति में सहायता मिलती है। खुशी एक ऐसी दवा है जो आपकी सभी परेशानियों को दूर कर सकती है। इसलिए हमें हमेशा खुश रहना चाहिए।

खुशी

एक दिन एक कौआ भगवान से शिकायत कर रहा था कि आपने मुझे काला क्यों बनाया मुझे हंस की तरह सफेद क्यों नहीं बनाया । तभी हंस वहाँ आता है और कहता है कि मैं सुंदर तो हूँ पर मेरी आवाज अच्छी नहीं है ।आवाज तो कोयल की है ,कितनी मधुर आवाज हुई उसकी । तभी कोयल वहाँ आई और कहने लगी कि मेरी तो बस आवाज ही मधुर है, मोर तो कितना सुंदर है और उसकी आवाज भी मधुर है ।तभी मोर कोयल की बात काटते हुए कहता है कि इसी कारण तो शिकारी मेरा शिकार करते हैं ,कम से कम तुम लोगों का शिकार तो नहीं होता ।

कहानी से हमें यह सीख मिलती है कि हमारे पास जो नहीं है उसके बारे में सोचकर दुखी या निराश होने की बजाय ,जो है उसी में खुश रहना चाहिए ।

कहते हैं कि मनुष्य जन्म बहुत मुश्किलों के बाद मिलता है ।इस अंतराल में हम न जाने किस-किस रूप में जन्म लेते हैं ।यह जीवन हमारे लिए ईश्वर का दिया हुआ उपहार है ।इसे व्यर्थ नहीं करना चाहिए ,अर्थात जीवन खुलकर जीना चाहिए ।ज़िन्दगी में परेशानियाँ तो आती -जाती ही रहेंगी ।लेकिन हमारा ध्यान यदि केवल परेशानियों पर ही रहेगा तो हम कभी खुश नहीं रह पाएंगे। सुख और दुःख एक चक्र की भांति है ।दुःख के बाद सुख भी आएगा ही ।हमें सकारात्मक दृष्टिकोण के साथ छोटी- छोटी बातों में खुशियाँ देखनी चाहिए । जीवन में खुशी ,दुःख,निराशा ,उदासी सभी रंग हैं और चुनाव भी हमें ही करना है ।

Apprendre une seule langue ne suffit pas

Dans le monde d'aujourd'hui, parler une seule langue étrangère ne suffit pas. Un élève qui parle plusieurs langues multipliera ses chances sur le marché de l'emploi dans son propre pays et au niveau international. Apprendre une autre langue, c'est acquérir une richesse supplémentaire et s'ouvrir d'autres horizons, personnels et professionnels.

Plus de 200 millions de personnes parlent français sur les 5 continents. Le français est une grande langue de communication internationale. C'est la langue étrangère la plus largement apprise après l'anglais et la neuvième langue la plus parlée dans le monde. Le français est aussi la deuxième langue étrangère la plus enseignée au monde après l'anglais, et sur tous les continents. La Francophonie regroupe 68 États et gouvernements. La France dispose enfin du plus grand réseau d'établissements culturels à l'étranger où sont dispensés des cours de français à plus de 750 000 personnes.

Le français est souvent considéré comme la langue de la culture. Tout cours de français s'accompagne d'un voyage culturel dans le monde de la mode, de la gastronomie, des arts, de l'architecture et de la science.

Parler français permet de poursuivre des études en France dans des universités réputées (La Sorbonne, l'Université Pierre et Marie Curie...) ou dans les grandes écoles (HEC, Polytechnique, ESSEC), souvent à des conditions financières très avantageuses.

La France est le pays le plus visité au monde avec plus de 70 millions de visiteurs par an. Avec des notions de français, il est tellement plus agréable de visiter Paris et toutes les régions de France (de la douceur de la Côte d'Azur aux sommets enneigés des Alpes en passant les côtes sauvages de la Bretagne) mais aussi de comprendre la culture, les mentalités et l'art de vivre à la française.

Après l'anglais et l'allemand, le français est la troisième langue sur Internet devant l'espagnol. Comprendre le français permet de poser un autre regard sur le monde en communiquant avec les francophones sur tous les continents et en s'informant grâce aux grands médias internationaux en langue française (TV5, France 24, Radio France Internationale)

Le français est à la fois langue de travail et une des deux langues officielles à l'ONU, à l'UNESCO, à l'OTAN, dans l'Union européenne, au Comité International Olympique, à la Croix Rouge Internationale. Le français est la langue de plusieurs instances juridiques internationales. Sauver la terre, Sauver la Vie

Aujourd'hui notre planète Terre est un grand danger à cause du réchauffement climatique.

Le réchauffement climatique est un souci réel. Actuellement, l'environnement de terre souffre énormément. La couche d'ozone qui nous protège des rayons nocifs du Soleil, est maintenant trouble, ce qui entraîne de graves problèmes comme les cancers de la peau. Les glaces se fondent vite et le niveau de la mer est trop élevé. À cause du réchauffement climatique beaucoup d' animaux sont en danger.

Le réchauffement climatique est dû à l'effet des gaz à effet de serre qui sont piégés à la surface de la Terre en raison de l'épaisse couche de pollution présente dans l'air ces gaz à effet de serre conduisent au réchauffement de la surface de la terre et de l'environnement.

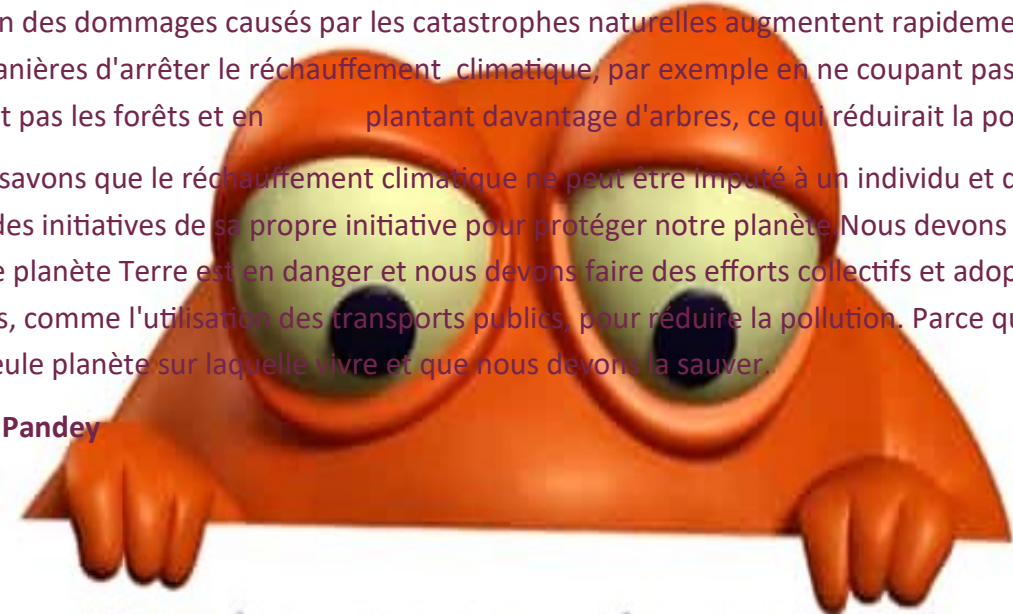

La pollution est une des causes du réchauffement climatique. Il y a trop de voitures sur les routes et l'air devient irrespirable dans les villes. Les voitures polluent l'air, et plus il y a de voitures, plus il y a de pollution. Les gens perdent beaucoup de temps dans les embouteillages et ils sont devenus trop dépendants sur la voiture. Il faudrait qu'on prenne les transports en commun ou qu'on aille à pied, ou à vélo.

Le réchauffement climatique a également des impacts économiques considérables. Les perturbations climatiques peuvent nuire à l'agriculture, à la pêche et à d'autres secteurs économiques, ce qui a des conséquences directes sur la sécurité alimentaire et la stabilité économique. De plus, les coûts liés à la réparation des dommages causés par les catastrophes naturelles augmentent rapidement. Il existe différentes manières d'arrêter le réchauffement climatique, par exemple en ne coupant pas d'arbres, en ne détruisant pas les forêts et en plantant davantage d'arbres, ce qui réduirait la pollution de l'air.

Car nous savons que le réchauffement climatique ne peut être imputé à un individu et que chacun doit prendre des initiatives de sa propre initiative pour protéger notre planète. Nous devons comprendre que notre planète Terre est en danger et nous devons faire des efforts collectifs et adopter diverses méthodes, comme l'utilisation des transports publics, pour réduire la pollution. Parce que nous n'avons qu'une seule planète sur laquelle vivre et que nous devons la sauver.

La pièce d'or de vingt francs frappée en 1899 porte également un coq. Durant la Première Guerre mondiale, la montée du sentiment patriotique fait du coq gaulois le symbole de la résistance et de la bravoure de la France face à l'aigle prussien.

Au Moyen âge, le Coq gaulois était largement utilisé comme symbole religieux, signe d'espérance et de foi. C'est à la Renaissance que le coq commence à être associé à la nation française naissante.

Il représente la figure de la Liberté personnifiée comme une déesse assise portant une couronne. Elle tient un faisceau et est soutenue par une barre sur laquelle est sculpté un coq. A ses pieds se trouve un vase avec les lettres « SU » (« Suffrage Universel », « Suffrage universel »). Le coq français

Au Moyen âge, le Coq gaulois était largement utilisé comme symbole religieux, signe d'espérance et de foi. C'est à la Renaissance que le coq commence à être associé à la nation française naissante.

Cette composition a été réalisée en 1905 (sous la Troisième République) par le peintre-graveur héraldique Maurice de Meyère, et a été utilisée au

Inégalité des genres

L'inégalité signifie traiter les autres différemment sur la base de la caste, de la croyance, de la langue, de la couleur, de l'économie, etc. Les inégalités conduisent également à la discrimination. La discrimination désigne les personnes qui sont différentes de vous ou celles avec lesquelles vous vous sentez à l'aise. Donc, le sujet principal sur lequel nous allons nous concentrer est l'inégalité entre les sexes, et je vous ai parlé des inégalités et de la discrimination parce qu'elles entrent dans ce sujet. Autrement, certaines personnes étaient fortement discriminées. La femme n'avait pas ses droits. Les hommes qui ne possédaient pas de biens

Mon pays

Inde, c'est un pays en Asie. C'est une civilisation très ancienne. Le mot 'Inde' a été dérivé de la civilisation de la vallée Indus. Le pays est situé à la sud de l'Asie. Il est entouré par huit pays et l'océan Indien au sud, au nord il y a les montagnes Himalayas, à l'ouest il y a les déserts du Thar. Le capital de l'Inde est Delhi. Beaucoup de fleuves proviennent des Himalayas et se terminent à l'océan Indien. Il y a beaucoup de monuments historiques en Inde par exemple Taj Mahal, Qutub minar, Red fort. C'est le quatrième plus grand pays économique du monde. J'aime mon pays.

डॉ. विमल किशोर ढौंडियालः(संस्कृत-विभाग)

श्रद्धा जननीव कल्याणी

'श्रद्धा' श्रद्धालु-मनुष्यस्य माता इव सर्वेभ्यः दुर्गुणेभ्यः रक्षति। श्रद्धा किम् अस्ति ? अस्य प्रश्नस्य उत्तरे शास्त्रे उक्तम्- 'श्रद्धा चेतसः सम्प्रसादः " अर्थात् चित्तस्य प्रसन्नता श्रद्धा भवति । किमपि कार्यं तदैव पूर्णतां गच्छति अथवा तदा एव सुखदं परिणामं ददाति यदा चित्तस्य प्रसन्नतया कृतम् अर्थात् आनन्दितं भूत्वा कृतम्।

स्व-स्व कार्यक्षेत्रानुसारं श्रद्धायाः विषयः भिन्न-भिन्नः भवितुं शक्यते । यथा विद्यार्थिनां कृते तेषां पाठ्य-पुस्तकानि, गुरुजनाः, तथा च तेषां दिनचर्यायां तानि सर्वाणि कार्याणि (यथा- योग-संध्या - हवनं च) यानि छात्रान् शारीरिक-मानसिक- आध्यात्मिकरूपेण उन्नतं कुर्वन्ति । श्रद्धालु जनः एव जीवनस्य लक्ष्यं (ज्ञानं) प्राप्नोति । गीतायामपि अस्य प्रतिपादनं कृतम् "श्रद्धावान् लभते ज्ञानम्।"

यदा चित्ते आलस्यं प्रमादः च आगच्छति तदा अध्ययने रुचिः न भवति । तस्मिन् समये येन बलेन उत्साहेन अथवा प्रयत्नेन मनः पुनः अध्ययने नियुज्यते तस्य उत्साहस्य अथवा बलस्य जन्म अपि श्रद्धया एव भवति ।

अयम् उत्साहः अथवा प्रयत्नः एव एकाग्रतायाः कारणात् भवति। अधिकांश-जनाः एकाग्रतायाः अभावाद् एव स्वलक्ष्यं प्राप्तुम् न शक्नुवन्ति । यः मनुष्य एकाग्रः अस्ति, तस्य स्मृति-शक्तिः अपि बलवती भवति । स्मृतिवान् मनुष्यः स्वलक्ष्यस्य भेदनं कर्तुम् शक्नोति । अयं क्रमः अनेन प्रकारेण अवगन्तुं शक्यते ।

श्रद्धा = उत्साहः, प्रयत्नः = एकाग्रता, स्मृतिः = लक्ष्यप्राप्तिः । व्यवहारेऽपि वयं पश्यामः यत् केचन जनाः स्व कार्याणि पूर्ण-उत्साहेन एवं प्रसन्नतया सह कुर्वन्ति केचन च उदासीन - मनसा अनुत्साहेन कुर्वन्ति । प्रसन्नमनसा यत् कर्म क्रियते तत् फलवान् भवति । उदासीन मनसा यत् कर्म क्रियते तेन सफलता न मिलति । अतः श्रीमद्भगवद्गीतायाम् उक्तम्-

अश्रद्धया हुतं दत्तं तपस्तप्तं कृतं च यत्।

असदित्युच्यते पार्थ न च तत्प्रेत्य नो इह॥अ.17/ श् श्.28

अर्थात्- अश्रद्धया कृतं हवनं, दत्तं दानं तप्तं तपः एवं यत् कर्म कृतं तत् असत् इति कथ्यते । तत् कर्म न तु परलोके न च अस्मिन् लोके हितकारी भवति । अतः मनुष्येण श्रद्धालुः भवितव्यः ।

Rally for sensitizing public

DELHI: N K Bagrodia Public School, Dwarka conducted a rally for sensitizing the public regarding the harmful effects of drugs. A plethora of activities were conducted like poster making competition, Nukkad Natak and rally in the neighbourhood.

Students of classes 8 and 9 led a rally with enthusiasm on the issue of substance use. HOS Anjali Kharbanda flagged off the rally.

Students raised slogans and posters to spread awareness amongst the public. They interacted with people telling them about the side effects of drug intake and how it can ruin one's life.

Inaugural ATL Nerdnia organised at NK Bagrodia Public School, Dwarka with zeal

More than 10 schools took part in the event to showcase their talents and in the end the winners received the certificates.

The inaugural ATL Nerdnia was organised at NK Bagrodia Public School, Dwarka, to celebrate science and innovation. Eminent scientists Dhanraj V. Gadre and Subhaji Bhatnagar graced the occasion as the chief guest and the guest of honour respectively and made the event special and memorable.

Gadre has laid the foundation of two laboratories - Centre for Electronics Design and Technology and Texas Instruments Centre for Embedded Product Design. Bhatnagar is an associate vice-president at Accenture & ATL mentor at the host school. A floral welcome was accorded to the guests and judges namely Santosh Kumar (a physics expert and the founder director of Adviseons Research and Development Private limited) and Smriti Patwardhan, assistant manager, Department of Official Language, Power Finance Corporation Limited, a PSU under Ministry of Power.

Gadre expressed his elation to witness the enthusiasm of the students to promote scientific temperament. Four competitions were held as part of the event - Digital Games Designing - Eco Warrior, Design a 3D Miniature Model Marvel, Drama Jam and Learning Science with Twist.

Each participant at these competitions displayed creativity and ingenuity of ideas. Their participation reflected their depth of knowledge and experimentation with science principles and concepts.

More than 10 schools took part in the event to showcase their talents. The winners received the certificates from the guest and judges. At the end of the event, Bhatnagar addressed the gathering.
